Dear Sir:

Applicant submits this Response to address the Office Action having a mailing date of October 9, 2007. As set forth in the Request to Reset Period For Reply to Office Action (attached as Exhibit A), filed on October 23, 2007, the Office Action of October 9, 2007 contains errors that affect Applicant's ability to reply to the Office Action. Accordingly, the reply to that Office Action should be reset. However, apparently due to clerical problems at the Patent Office, the Examiner has not prepared a corrected Office Action, and the time period has not been officially reset. Accordingly, this Office Action is being submitted in an abundance of caution. Moreover, should the time period for reply to the October 9, 2007 Office Action not be reset, Applicant is submitting a request for a three-month extension of time, together with the associated fee, thereby extending the time period for reply to April 9, 2008. Although the amount submitted is believed correct, please charge any underpayment or credit any overpayment to Deposit Account No. 19-1970.

Reconsideration and withdrawal of the rejections of the claims set forth in the Office Action are respectfully requested.
